

# Maryland Apple Varieties

**Empire** - McIntosh apple crossed with Red Delicious for unique taste. Crisp and excellent for snacks, desserts or salads.

**Fuji** - Very firm and unusually sweet. Red and green stripes. First discovered in Japan; a new favorite here.

**Gala** - Sweet and very flavorful with orange-striped skin and yellow flesh. A favorite for snacks and salads.

**Ginger Gold** - Outstanding early season, fresh from the orchard. Sweet, juicy and firm.

**Golden Delicious** - Sweet and mellow. Excellent for snacking, salads and all cooking purposes.

**Jonagold** - Blend of tart Jonathon and sweet Golden Delicious. One of the world's most preferred varieties for flavor.

**Jonathon** - Moderately tart. Delicious for snacking, salads, and cooking.

**McIntosh** - Juicy and slightly tart. Great for eating fresh and baking.

**Mutsu (Crispin)** - Sweet and juicy, very firm in texture and crisp white flesh. Excellent for snacking and cooking.

**Red Delicious** - Sweet and juicy. A favorite for snacks and salads. Best for eating fresh out of hand.

**Rome** - Firm and slightly tart. Excellent for baking and all cooking purposes. A great keeping apple.

**Stayman** - Firm, rich flavor and mildly tart. Great all-purpose apple.

**York** - Crisp, firm and tart. Excellent for eating fresh and all cooking purposes.
